Dear All Saints Church,

Thank you for your recent request to receive funding, the Finance Committee considered the request and feel that it would aid them greatly if you could please complete a grant application form. The Committee appreciated the documents submitted, though felt it would be more beneficial to receive information i.e. accounts, evidence of fundraising amounts, that were specific to the churchyard maintenance.

The form is identical to the one previously used, and the Committee would also find it helpful if you comment on whether you have considered any of the recommendations made last time. Those recommendations were:

The Parish Council would also like to make the following recommendations:

1. Request for further donations towards the maintenance of the churchyard to be included in next village magazine.
2. Information to be circulated to see if any volunteers wish to undertake some of the maintenance work.
3. Information to be circulated to residents and members of the community regarding the leaf collection in autumn within the churchyard, to hopefully enable this annual event to continue with volunteers.
4. Regarding the burial charge at present, look into opportunity to include levy in charge to help with any possible costs in future years.

The Committee would be very grateful if you could complete the form and return it with any supporting documents i.e. copies of accounts, by Wednesday 14th July or sooner if possible.

If you have any questions or concerns in regard to the above then please feel free to contact me on (01234) 841835.

Yours sincerely

Lizzie Barnicoat
