<p>4.3</p> <p>i)</p>	<p>Bedford Borough Council Executive Committee consideration of Local Plan consultation update and publicity to the parish of the consultation</p> <p><i>JP declared an interest in this item.</i> Clerk had shared advice received from Monitoring Officer, due to JP's interest JP it was confirmed to leave the room for this part of the meeting. JP left the room at this point of the meeting</p> <p>Employment allocation at Green End/Water End – the Borough Council Executive Committee had voted to move forwards with the published proposed document, which will now be taken to a public consultation from 15th June to 29th July. The site location had been shared with Councillors. The local authority still to date not have published the full site assessment information on the Borough Council website for the proposed employment allocation. This</p>	<p>Clerk to</p>

<p>ii)</p> <p>iii)</p>	<p>information is important to ensure better understanding of the potential site layout.</p> <p>Raising awareness of public consultation – the first draft of information for the village has been collated, it was agreed to circulate the document as drafted with liaison with the Village Magazine kindly seeking assistance with the delivery. Clerk to discuss this with the Editor and arrange for printing.</p> <p>The Council had agreed at the previous meeting to fund publicity to the village through an information leaflet which would be followed up with a subsequent booklet on how to effectively engage in the public consultation. It was unanimously agreed to move forwards with the printing of this first leaflet and then to have a more in depth leaflet collated once the full site assessment as well as subsidiary information was active on the Borough Council website. This booklet to be distributed using the network of helpers coordinated through the Parish Council. Councillors discussed the format of an open event drop in session to be held at a village venue to raise awareness of the proposals and to support residents with responses to be held, like had been done for the Salph End allocation in the last Local Plan. Clerk to work on collation of this document for mid June with the venue, dates and format to be confirmed.</p> <p>It was agreed that community engagement would be done using the parish noticeboards, social media, website as well as the village circulation list. The distribution of information via leaflet to the whole village would be done in stages, with the agreed first leaflet alerting them to proposals pre consultation, then a further information leaflet more in depth on consultation including how to engage and invite to drop in session(s), which will then be followed up with a reminder to engage before consultation closes.</p> <p>Collation of Council submission to consultation – as before with the Salph End proposal Councillors were mindful to include a range of items within the comments to cover every eventuality. Key areas in the response to consider apart from the usual impact on usual local issues – highways, landscape, sustainability, environment, heritage, urbanisation sprawl etc, is also making contact with Natural England, Historic England, CPRE, to be spoken to, to raise concern. There is a call for assistance on the first leaflet for any specialist support that someone in the village may be able to bring, plus there needs to be a focus on where else can these allocations go. Plus, consideration of what must be included if the sites are taken forwards to safeguard the parish. All these different but important elements would need to be included by the Parish Council in the response. It was agreed that consideration of engaging with specialist professional services would be a future discussion at the next meeting.</p> <p>Contact with Chair of Great Barford Parish Council to be made given the impact on this parish.</p> <p><i>JP re-joined the meeting at this point</i></p>	<p>monitor</p> <p>Clerk to action</p> <p>Clerk to review</p> <p>All Councillors</p> <p>Future Item</p>

All Councillors to be involved with this process with SB to lead on this.</p> <p>It was unanimously agreed to elect Margaret Dean and Ian McIver as the Charity Trustee representatives on behalf of the Parish. Resolution passed.</p> <p>In regards to the Parish Councillor vacancy, the Clerk had fed back to the one expression of interest for the vacancy discussed at the last meeting, who responded to detail they had withdrawn their interest ahead of the meeting.</p>	<p>SB to be supported with this</p> <p>Clerk to action</p>

	<p>The Clerk had received an expression of interest for the Councillor vacancy, they had provided supporting information with their professional experience and outlined they have lived in Embla Close since 2004, with an interest in many of the issues that the Parish Council deals with such as anti-social behaviour, policing, community and planning. Clerk invited them to the meeting but unfortunately unable to attend as out of the country. Councillors felt meeting the individual informally would be helpful, all Councillors offered support with this. Councillor allocation to asset checks, it was detailed that the Clerk had contacted insurance company to seek clarification on the frequency of checks, awaiting feedback. MW had reviewed the renewal policy documents in depth and found no reference in the document. It was agreed that going forwards Councillors will support one another continuing to monitor assets on a quarterly basis.</p> <p>Noted since complaint to local authority regarding Elections Office was submitted on 7th April no update.</p>	<p>All Councillors Clerk to monitor</p> <p>All Councillor</p>
