Dear Officer,

**APPLICATION No: 22/00635/TPO: T1** – Field Maple: reduce lateral branches by 1.5m all around; T2 – Ash: remove major dead wood at 19 Becher Close.

The full Council have no objection to both applications, but the tree surgeon Martyn Smith was emailed with a request for a copy of his report so that one inconsistency could be checked ahead of the Council's discussion, however, no report was received.

Yours sincerely,

**E. Barnicoat**
