Dear Officer,

APPLICATION No: 22/00758/FUL Single-storey front extension, replacement pitched roof to existing flat roof area and garage conversion at 62A Hookhams Lane.

The full Council has no objection to the change of front window to a bay with a pillar and rendering at the front of the property and to the dining room with a pitched roof garage conversion.

However, the full Council note that in the previous application at this site there was no window to the right hand side on the front extension. The 'as existing' drawings for this application show no window on this side, however the proposed drawings show plans for such a window. The Parish Council do object to the siting of a window on the side of the front extension due to the loss of privacy for Number 64, as it would look into a bedroom.

Yours sincerely,

E. Barnicoat
