Borough Hall

Dear Officer,

**APPLICATION No: - 22/01006/LBC Erection of detached garage at 33 Ravensden Road**

**APPLICATION No: - 22/01005/FUL Erection of detached garage at 33 Ravensden Road** - the Council unanimously agreed to respond that the Council approve the applications but there is concern around access into and out of the property given there is no dropped kurb currently. Also flooding issues remain an issue in the area and the Council ask that one tree be planted to replace the felled one.

Yours sincerely,

**E. Barnicoat**
