Dear Officer,

APPLICATION No: - 22/01061/FUL Single storey extension to side and alterations to reposition boundary wall (Revised scheme) at 41 Maskell Drive – the Council unanimously agreed to respond there is concern over the loss of the open aspect of the street scene and with the proposed repositioning that there will be an obscuring of the sightline for other drivers, so the Council agreed to object to the application. It was also agreed to include a concern over the precedent that would be set as the area was allocated as an open space within the original development plans, so if this is lost it could lead to further applications.

Yours sincerely,

E. Barnicoat
