

Terms of Reference - Renhold Planning Working Group

Terms of Reference

This is a document that supports the Renhold Planning Working Group. It provides guidance around how the informal group will work. The primary purpose of this Group is to provide information and recommendations in the interests of brevity of proceedings at the full Parish Council Meetings.

Membership

All current Renhold Parish Council members are welcome to be involved with this Group if they wish.

Group Workings

Members will as necessary review planning documents received by the Parish Council, and where appropriate engage with the applicant to enable a site visit to be carried out if this is deemed beneficial to Members.

The site visit feedback along with any other material planning considerations felt to be of benefit by the Working Group Members will be shared with the full Council to aid the discussion at the full Council meeting.
